

hi-speed corporation

Hi-Speed is a unique rep agency serving metal cutting manufacturers on the West Coast!

WE SERVE THE END USER AND SELL THROUGH DISTRIBUTION!

WHAT MAKES US UNIQUE?

- We have **expert knowledge** and experience in cutting tools and CNC machining;
- We collaborate with the user customer on behalf of their distributor, **at the spindle**, to improve productivity;
- We help the user choose the most effective tools and processes to **reduce manufacturing costs**; and
- We assist the distributor and participate in providing **true added value** to the user!

GREAT TOOLS, PERFORMANCE, AND PRICING

“The real magic behind us getting the most out of YG’s tools was Hi-Speed’s input . . . which tools to run and how to most effectively run them.”

*– Sanjeev Kapoor, President
SKM Industries, Valencia, CA*
